

# Parenting With Love & Logic

Do you ever feel it's like pulling teeth to get your kids to take out the trash or do other chores around the house?

Do your kids ever argue or talk back? Are you ready for some practical and effective strategies for raising more respectful, responsible, fun-to-be around kids?

If so, we have just the class for you!

**Parenting with Love & Logic,™** by Jim Faye, is a wonderful program for wonderful parents who are looking for additional ways to improve their skills.
